This meeting was called to order by Lisa Guinta MSN, NEA-BC		
Attendee's: Lisa Guinta; Rocel Besa Christine Conner; Trish Crosby; Jennifer brown; Kathleen Perez; Lauren Fleming; Christine Massey; Judith Miranda Rankin; Sebin Vadasserril; Susan Olsen; Wendy Silverstein; Teresa Artz; Deb Toresco; Kathleen Yhlen; Josephine Bodino; Rosemarie Jones; Jacqueline Ciccarelli, Sheri Cleaves		
AGENDA	DISCUSSION	DECISION - REFERRAL
<i>New Designations/Submissions/Site Visits</i>		
Overlook still awaiting 48 days since site visit.	Theresa Artz states they had their virtual site visit last week and was told they should hear in 2 months. They used a Zoom platform successfully, I-pad with stand and microphone for unit tours and had IT support for each appraiser and team meeting.	We are all keeping our fingers crossed and are confident all will go well. Flash drives requested due 5 days post visit to include attendance sheets, ad docs, additional evidence to support, amplify, clarify, presentation from team/quality meetings
<i>Virtual Site Visit</i>		
We are going to have a presentation on this for the annual meeting Nov 13th	Dr. Teri Wurmser will present from an appraiser's standpoint, Deb will talk about her role as an MPD during a virtual site visit and Beverly Karas-Irwin was also asked as she is an appraiser and MPD.	We appreciate your experiences and look forward to the November 13 th presentation to hear about your experiences and to get tips for a successful virtual site visit.
<i>Troublesome SOE's</i>		
EP14	Trish asked if anyone used ligature risk for this standard	Most hospitals used minutes from Workplace safety committee to identify a topic and then followed through with resolution of situation. Advice given if you are working to hard to write to a topic then change your focus although you are passionate about what was done.
<i>DDCT / Interim Reporting Issues Concerns</i>		
Sebin reported that when putting data into the DDCT he received an error report.	After discussion with MPO the incorrect calculations were due to error on the side of the MPO and they were able to correct.	

New Jersey Council of Magnet Organizations, Inc.

<i>MPD Workshop Virtually?</i>		
This workshop was cancelled due to COVID 19 we all wanted an in-person workshop but this may no be feasible any suggestions?	Group would be open to a virtual workshop	Lisa will email Julia Aucoin to discuss this
<i>Peer Review</i>		
Anyone have electronic peer Review using Success Factors?	Cornerstone is a platform that RWJBH uses it has learning system, performance modules, succession planning, certification, Degree rates and Nursing profiles all in one. Hunterdon Medical Center also has an on-line method	HR is critical to partner with.
<i>ADAM</i>		
Kathleen Yhlen had some questions as she is beginning to use ADAM for the first time	Discussed variations between ADAM and ADAM Plus	Previous user recommends to flag as you upload. There is a slide deck for instructions please view this first very informative. You only can give 5 documents so even in the OO you may need to put together policies and group them into categories. The green flag must be hit meaning the CNO has reviewed.
<i>Virtual Summit October 7 & 8th</i>		
Anyone register or have any issues?	Rocel Besa called the ANCC for some guidance and was reassured that the registered members will receive a link for login 1 week before the conference. There is no specific sign up for sessions as a virtual session means there is unlimited access to an event.	This was very helpful information as many were unsure.
<i>Magnet4Europe</i>		
Webinar is tomorrow	Recorded if you cannot attend or will be conflicting with AONL meeting	
<i>Next NJCOMO Meeting</i>		
Teleconference Call	October 27 th 12 noon	Email Lisa Guinta if you would like to place anything else on the agenda.

Respectfully Submitted Lisa Guinta MSN, RN, NEA-BC
