AGENDA	DISCUSSION	DECISION - REFERRAL
MPD Charter Review		
We are in alignment with our goals and all members either Pathway or Magnet needs are being met.		
Future Workshops		
ADAM	Daniel will do an ADAM educational session	July 27 12noon-1pm
Writing for Publication		
	We have an opportunity to share our knowledge, skills, and insight through writing for publication	Many MPDs are interested and we will meet in the fall
ANCC Magnet Conference		
November 11-13 Atlanta Georgia	Some organizations still have travel restrictions	MPD Session & Magnet 4 Europe: not virtual Please request MPO office to do a recording or virtual if interested.
ANCC MPD Gathering		
	Josie will coordinate a meeting for all those attending in person	Josie will look for a venue and email the group.
RN Satisfaction Survey		
	Press Ganey vendor	Many using NDNQI Press Ganey Nursing Excellence and this has its share of issues with benchmarking. Much preplanning is needed before survey in the planning stage which may or may not help..
NDNQI NSI Data		
	You can submit 8 or 10 Qtrs. Of data	Be consistent 8 or 10 use same for all indicators and all settings.
MPO Pre Submission Call		
	Use attached outline from MPO for guidance.	CNO and MPD's to attend. Extensions must be in by August if needed because of scheduling appraisers.
Vaccination Clinic		
	Monmouth has a temporary vaccine clinic	This may be a new unit for NDNQI however vendor may not be able to offer benchmarking. There may be some good magnet stories regarding this clinic as far as community outcomes.

Respectfully Submitted Lisa Guinta MSN, RN-BC and Christine Massey MSN, RN, NPD-BC
